It's not Oz—it's Florida!—  
but Emerald Dunes is  
truly wonderful.

BEST NEW SHORT-GAME PRACTICE FACILITY

## Emerald Dunes Club

West Palm Beach,  
Fla.  
Private

The old saw that “Good things come in small packages” was never truer than at Emerald Dunes, where the club transformed an unused, pint-sized parcel near the clubhouse into the Tom Fazio Short Game Area. A 19th, or “Bye,” hole that measures from 85 to 135 yards is the highlight, while two dedicated target greens, separate chipping and putting greens, six practice sand traps and a grass pot bunker are part of the fun. The best part? It’s all right next to the clubhouse, so you can grab some grog while grooving your stroke.
